## ACADEMIC APPOINTMENTS

- 2025 - Assistant Professor, Department of **Urban and Regional Planning**, University of Illinois at Urbana-Champaign (UIUC)
- 2024 Illinois Distinguished Postdoctoral Research Associate, Department of **Urban and Regional Planning**, University of Illinois at Urbana-Champaign (UIUC)

## RESEARCH AREAS

My research focuses on **urban governance, informality, food** and **spatial dynamics**.

**Urban Governance:** With a particular focus on political intermediation and coordination between multiple scales of government, I examine how bureaucracies, nonprofits, and other actors implement laws, and shape access to public goods and services.

**Spatial Dynamics:** Using computational and spatial techniques, I also examine informality and the ways people inhabit urban space, retail dynamics and its impact in the food system.
